SCHOOL CAR PARK

'URGENT READING' CHILDREN'S SAFETY

The School car park is **NOT** a drop off and pick up zone. Students, staff and visitors are being put at risk due to people coming in to the car park at unsafe speeds to drop off their children, not even parking in a car park area. Staff have witnessed some very unsafe events happening as far as the children are concerned, and this is a huge concern for our School Community that children's safety is being put at risk. If you have any reason to be coming into this area, you must be driving at walking pace (10 kmh), but please remember you need to park on the street in the allocated areas to drop your children off at school. Also the area in front of the chain near the bins is an emergency access area and a NO PARKING ZONE. Please do not park there.

LONSDALE HEIGHT SCARECROW COMPETITION AT THE ROYAL SHOW

During gardening lessons at school some of the Junior Primary students were involved in making a scarecrow to enter in a competition at the Royal Adelaide show. They would like to thank Tammie and Jono our groundsman for assisting with his construction. They had to base their entry on a book character or one of their teachers. Our students chose the book 'The Day my Bum Went Psycho' and based it on the character Zack Freeman from the story. Make sure you go and have a look if you are at the show. Well done to all those students who participated. He looks fantastic.
