KATHY BOWDEN

I have some very sad news to share. Kathy Bowden passed away in the early hours of December 27th 2019. Kathy had been a wonderful supporter of Lonsdale Primary for many years with all 3 of her daughters attending, a past Governing Council chairperson, a much valued employee and a

good friend to many staff and parents including myself. May she rest in peace. Governing Council will discuss what sort of memorial they believe will be appropriate to remember Kathy by.

SWIMMING / AQUATICS

Our swimming and aquatics is well underway and the weather has been reasonably kind to us for this week. Thank you to those who have paid for their invoices for this excursion, but if you haven't finalised your account can this be done as soon as possible please. If you need to pay this invoice in instalments, please speak to one of the Front Office staff.

UNIFORMS

Great to see so many students in school uniform on their return to school. Just a reminder that the school uniform colours are navy blue. Polo shirts, jumpers and hats are available at the Front Office, but students can also wear plain navy blue polo shirts and shorts/skirts/pants. Please remember, no jewellery, makeup, fingernail polish and large logos on clothing.

WORLD OF MATHS INCURSION

On **Thursday 27th February, 2020** we are having 'World of Maths' visit our school to set up Math activities for all age groups. This incursion will be paid for by the school for all children to attend.

LIFE EDUCATION BUS

During the week of **10th March to 12th March** all classes will be visiting the Life Education Bus. They cover topics which support children in life and making strong and healthy decisions. A note will come home for you to sign to give permission for your child to go. The Lonsdale Heights School will cover the cost of this incursion.

FROM THE PRESCHOOL

"Creating a literacy and numeracy rich environment for children provides them with opportunities to explore and use both literacy and numeracy in their daily routines and play.

This year as part of our preschool focus on **literacy** and **numeracy** we will be holding two open afternoons where our parents/families/caregivers are invited to come and join in a play session.

On **Tuesday the 18th of February** we will be inviting our families in for a Literacy Play Session at **2.30pm**. Educators will have a variety of literacy based activities on offer for families to engage in play and learning alongside their child.

On **Tuesday the 25th of February** we will be inviting our families in for a Numeracy Play Session at **2.30pm**. Educators will have a variety of numeracy based activities on offer for families to engage in play and learning alongside their child."

Preschool Teacher (Tuesday-Thursday)

POLICE VISIT

Last week we had a Police Officer visit us to speak to the students at school covering a range of topics from their roles in the Police force, how to find the Police or contact them, to modes of transport they use to cyber safety and the role of Police dogs
