FEEDBACK ON THE NEWSLETTER:

Dear Parents / Caregivers,

As part of our continuous school improvement, we will be involved in an external school review with a Department for Education review panel. The purpose of external school reviews is to support schools to raise achievement, sustain high performance and provide quality assurance to build public confidence in government schools.

All government schools are externally reviewed every 3 years.

The focus of the review is to evaluate our school's performance. The review panel consists of a review officer and a trained review principal. The review will occur on Monday 19<sup>th</sup> October and Tuesday 20<sup>th</sup> October 2020.

The review panel will identify aspects of our school's improvement that have been verified through the review processes as well as the improvements that we need to make in the future.

During the external school review, some students, parents, governing council members and staff will be asked to provide information to the review panel in a number of ways. These include:

- individual interviews
- group discussions (with students or staff or parents)
- meetings (usually governing council, staff meeting)
- visits into classrooms.

We appreciate your support and time in helping us with this external school review process.

**1. Please contact the school by Thursday 15<sup>th</sup> October 2020 if you wish to participate in the parent meetings. These will occur at 2.30pm on Monday 19<sup>th</sup> October and 9.00am on Tuesday 20<sup>th</sup> October. (If you are on Governing Council, this will occur on Monday 19<sup>th</sup> October at 7.00pm so you will**

**not need to contact for the previously mentioned meetings)**
